Finding comfort

Vincent Sheppard has been designing and manufacturing indoor and outdoor furniture with exceptional seating comfort since 1992. The company is worldwide market leader in Lloyd Loom furniture, a technique where kraft paper is twisted around a metal wire and woven into unique furniture pieces.

By constantly challenging itself and its design aesthetics, Vincent Sheppard is able to present young, contemporary furniture collections that answer to all modern needs. We combine a clear focus on quality and comfort with craftsmanship and an age-old technique, and translate these ingredients into qualitative, durable and appealing designs. With a wide variety of indoor as well as outdoor pieces of high quality, Vincent Sheppard is a favourite of many interior aficionadas.

PRODUCT OVERVIEW 207

MISTRAL RIBBON SWEEP

Sculptural elegance and easy comfort to the outdoors. The Mistral dining table pairs a hand-finished white cement top, delicately speckled by embedded stones, with a sturdy central base for a welcoming, tactile presence.

Ribbon and Sweep feature a light, transparent profile: a durable aluminium frame and soft, handwoven rope seat, a supportive rounded back, and a weather-resistant, stackable design. Minimalist lines blend effortlessly into any setting. Designed by Studio Segers.
